ANNUAL GENERAL MEETING AND ELECTIONS

Gospya's Annual General Meeting will commence immediately after church in our new hall, 'Gosp Centre', on Sunday 5th March.

Gospya's elections will be conducted under the supervision of Dr Conomos, Mr Peter Castrisos, Mr Peter Samios and Mr Emmanuel Castrisos. All nominations must be given to one of those four by Sunday, February 26th. Below is a nomination form in which Gospyans can be nominated for a position on the Executive of GOSPYA. AGM AND ELECTIONS

Well this is my last report as President. I must thank my committee for the time and effort they have put into Gospya this past year; it was a pleasure to work with them. I feel we achieved alot this year, particularly in the sporting arena. Socially last year was not as successful as 1987/88 overall (with the exception of our Debutante Ball) but I feel this was largely attributable to Expo.

I would like to wish the new President and committee good luck and a successful term. Finally, I would like to thank Father Constantine for all the help and guidance he has given myself and my committee this year. Father Constantine has always taken a special interest in and made himself available to the youth.

In my last report I made the assertion that a joint function was held between Goya, Cyprist Youth, PYA, and Olympic Youth and that Gospya was deliberately left out. I made this assertion on the basis of certain reliable sources who were in the position to know what they were stating. However, at the last QGOYC meeting these associations said that Gospya was not the object of a vendetta. As President I accepted their assertion and apologised for the comments made in my previous report. Therefore, I withdraw the assertion I made in my previous report.
